PROFESSIONAL SUMMARY

Motivated and aspiring Software Engineering Intern eager to leverage academic knowledge and passion for technology to contribute to a dynamic software development team. Possesses a strong foundation in programming concepts, data structures, and algorithms, gained through coursework and personal projects. Demonstrated ability to collaborate effectively in a team, adapt quickly to new technologies, and approach challenges with a problem-solving mindset. Excited to immerse myself in real-world software development, apply best practices, and contribute to the success of innovative projects while honing practical skills in a professional environment. Ready to bring enthusiasm, dedication, and a strong desire to learn to a forward-thinking organization.
